

Looking for that unique and meaningful gift for the person who has everything?  
We can make it easy for you! Give the gift of clean water for the needy

Can you imagine walking miles to fetch water -- and only to retrieve contaminated water that animals have been drinking from or even walking through? This is the case for many women and children in the villages of Burkina Faso who can spend up to 5 hours per day hauling water for their families!!

FRIENDS in Action, with our team in Burkina Faso and volunteer work teams are busy drilling wells for these people. FRIENDS in Action is a group of men and women providing physical and much needed assistance to missionaries in the remote parts of the world, enabling them to continue in their work of "reaching the unreached".

**Here's an opportunity for you to help provide clean water to these needy people!** Each well complete with a water pump costs £5000.00 This provides water for 500 people – approximately £10.00 per person!  
**You can purchase a GIFT CERTIFICATE donating to this project on behalf of your family, friend or customer. You will then receive a donation receipt and also a gift certificate indicating your gift on their behalf. What a unique gift!**

Cut along this line and return to Friends in Action

**Yes! I Want to give the Gift of Clean Water!**

Please send me the following Gift Certificate

CERTIFICATE ORDER: Qty: \_\_\_\_\_ @ £ \_\_\_\_\_ each /Qty: \_\_\_\_\_ @ £ \_\_\_\_\_ each

Here is my donation for the Project £ \_\_\_\_\_
